

Green Careers Values and Welcome Pack

Agreeing to Green Careers Values explained

By signing up to the Green Careers Pathway, you are agreeing to be part of a positive and supportive community.

This means you will:

- Treat others with respect, kindness, and fairness
- Take part in opportunities with a positive attitude and willingness to learn
- Be reliable and committed when attending activities or placements
- Support a safe and inclusive environment where everyone feels welcome

You should have received an introduction to the Green Careers project and been given a copy of the Green Careers Welcome Pack, which explains these values in more detail.

If you haven't received this yet, please let your coach or placement facilitator know so they can share it with you.

These values help create a space where everyone can grow, build confidence, and succeed in their green careers journey

If you would like to discuss anything in more detail or have a concern please contact greencareerspathway@codigroup.co.uk
